IMPORTANT TO MARRIED, and THOSE ABOUT TO BE MARRIED.—By A. M. MAIRIEAU, Professor of Diseases of Women, has just published the 16th edition of his well-known work, "THE MARIED WOMAN'S GUIDE TO LATE MEDICAL COMPANIONS."

No married woman can afford to be without this invaluable and faithful guide. It describes her peculiar complaints as a wife, as a mother, or one to become so, their causes and their symptoms; and the proper remedies in plain simple language.

Many of her complaints have sensitive nerves forbidding communication to a physician, and so she often suffers year after year, pale, haggard, attenuated, and wondering what ails her.

Years of suffering may be avoided by this possession.

Each copy is worth its weight in gold. Price \$1.

Sold at his Office, No. 129 Liberty-st., New-York, or can be sent by mail, free of postage, to any part of the United States or Canada, by inclosing \$1, and addressing Box No. 1228, New-York. For sale at No. 10 Venetian, (Asia) House, and No. 8 Angelic, ELDERER & CO., No. 10 Court-st.
